

The Jackson Municipal Airport Authority has issued requests for qualifications (the "RFQs") for consultants to develop and prepare Airport Master Plans for the Jackson-Evers International Airport and Hawkins Field General Aviation Airport, both located in the City of Jackson, Mississippi. Both RFQs are available for download from JMAA's website at http://www.jmaa.com/DoingBusiness/RFP_RFB.cfm or by contacting JMAA's Chief Operating Officer, Ms. Bonnie Wilson, at bwilson@jmaa.com or by calling (601) 664-3502. JMAA encourages the participation of disadvantaged business enterprises in the preparation of the Airport Master Plans.
