

METROPOLITAN AIRPORTS COMMISSION
Job Posting

LOCATION: Minneapolis/St. Paul International Airport

TITLE: Manager of Airport Security

SALARY: \$77,134.00 - \$106,470.00 Annually

CLOSING DATE: 3:00 pm on Wednesday, May 31, 2017

Position: Manages day-to-day security operations and directs the security efforts to ensure the Minneapolis / St. Paul International Airport (MSP) meets Transportation Security Administration (TSA) regulations and requirements. The Airport Security Manager is responsible for reviewing and interpreting the impact of all TSA regulations, amendments and advisories on security activities and makes recommendations for revisions to the Airport Security Program (ASP). The Airport Security Manager will direct and supervise subordinate employees in the following areas: Airport Badging Office, eLearning, Security Division and Secured Area Access Control System (SAACS). The Airport Security Manager will also oversee the Airport's private security contracts that support the Airport's Security Program.

To apply: Visit our website at www.metroairports.org, click the "Career Opportunities" link, then the "Current Openings" link and follow the instructions to apply online.
