

**REQUEST FOR EXPRESSIONS OF INTEREST  
CA00382  
COMMON USE LOUNGE**

Halifax Robert L. Stanfield International Airport (HSIA) is Atlantic Canada's principal full-service airport providing passengers and cargo clients with access to markets across Canada, the United States, the Caribbean Basin, Europe and Asia. It's the only airport in Atlantic Canada to offer Canada Customs services on a 24 hour, seven day a week basis, and U.S. preclearance. HSIA is a major economic generator valued at over \$2.7 billion to the provincial economy, serves over 4 million passengers and processes cargo worth over \$447 million each year.

HIAA is looking at a common use lounge in our Domestic/International airside hold room area. We are looking for a concession operator to construct and manage the common use lounge in a location that has been pre-selected by HIAA. Our passengers currently have access to a lounge that is specific to one airline. As HIAA grows we recognize the need for a lounge that is would be available to all passengers regardless of the airline they are travelling on. We regularly receive requests from our travelling public to have access to a common use lounge.

Further information on the opportunity can be obtained from:

**Mr. Thomas Murray, S.C.M.P.**  
Senior Manager, Contracting and Procurement
