Department of Human Resources
6040 28th Avenue South
Minneapolis, MN 55450

Director, Airport Development

SALARY: \$112,028.00 - \$154,632.00 Annually

OPENING DATE: 02/01/18

CLOSING DATE: 02/16/18

THE POSITION

Under the direction of the Vice President, Planning and Development, the Airport Development Director is responsible for the coordination and establishment of the annual Capital Improvement Program (CIP) for MAC's facilities, along with the execution of projects throughout the MAC system of airports. This position oversees the implementation of the MAC Design and Construction Standards, and works closely with the MAC Building Official and the Environmental Affairs Department for project execution and compliance. This position oversees the administration and management of construction contracts, consultant agreements, grants, invoices, and Passenger Facility Charge (PFC) applications. The Director works with other departments on land acquisition, land disposal and development opportunities. This position supervises Airport Development staff; prepares the annual department operating budget; presents reports and information as appropriate to the Commission; and works closely with the Vice President to set strategy and goals for the department.
