## Help Your Career “Take-off” with an Internship at the Jacksonville Aviation Authority!

The Jacksonville Aviation Authority (JAA) is now accepting applications for our **Paid Summer Internship Program**. We offer ten weeks of professional experience for college students interested in the following functional areas:

- Airport Operations
- Business Development
- General Aviation & Spaceport Operations
- Planning & Engineering

Internship program dates May 22, 2017 through July 28, 2017

Students interested in internship positions can apply on our website [www.flyjacksonville.com](http://www.flyjacksonville.com)  
The application deadline is February 12, 2017
