

The City of Portland Invites Applications For Airport Deputy Director, Operations & Maintenance

Working under the general direction of the Assistant Airport Director, the Airport Deputy Director, Operations & Maintenance for the Portland International Jetport (PWM) is a senior management position in the operation and maintenance of the Portland International Jetport. Work requires the exercise of judgment and the application of expert knowledge of civil aviation and airfield operations and management. This position directly supervises the Airfield Construction and Maintenance Manager and the Assistant Airport Operations Managers. Additionally, the incumbent is responsible for all Airport Maintenance and Operations personnel and has auditing and overall compliance oversight of Part 139 including but not limited to ARFF, Wildlife, Snow and Ice Control Plan, and Security.

Position Qualifications:

- An undergraduate degree in Aviation Administration, Business Administration, Public Administration or closely related field or equivalent experience in a related field that provides the appropriate level of knowledge and exposure necessary.
- Thorough working knowledge of regulations, laws, and requirements that correlate to administering the functions of a commercial service airport.
- Professional certification in aviation administration is preferred.
- A personal, criminal, and employment background check is required for this position.
- Eligible to work in the US.

Salary and Benefits

This position is Non-Union Grade 11 with an annual salary range of \$69,946-\$93,853. Also included is an excellent benefits package. For instructions on how to apply, please [click here](#) to see the recruitment brochure, or visit the searches tab at www.adkexecutivesearch.com.
